Show always Description
Posted by tibillys - 2011/10/24 11:19

_____

I want to make carouzel to always show description and not only to active images.

_____

Hello,

Sorry, but could you explain your needs in more details? The extension shows only one description at time and it is for active image or hovered image.

Regards,
ARI Soft

_____

can i make so it show all the description together. I want to put the description under the image with css, and as the image moves the description moves with the image.

_____

Sorry, but the extension doesn't support this ability.

Regards,
ARI Soft
