## title articles ARI CLOUD CARROUSSEL

Posted by Brienois - 2011/11/19 09:16

---

Super the carousel!

However, I have a small problem

When I use it as a menu, the word "articles" is always placed on the page, while the 'normal' menu, there is not, I have not found a way to remove

thank you very much

<http://www.domaine-bertrand.fr> :unsure:

Hello,

This is not a "ARI Cloud Carousel" issue, this is Joomla! issue. You can read about it [here](#).

Regards,  
ARI Soft
