## If Show navigation \"no\" - Extension not loading

Posted by Designer - 2012/01/12 20:11

---

Hello,

thx for this great extension, i came i saw i installed.

It is working on my site without problems, just when i put "no" to "show navigation" the modul does not load anymore. You only can see the loading image.

here s the link: <http://internetagentur-ecom.de/sitemap.html>

Thank you in advance for ur help! :)

Hello,

Set "Include jQuery" parameter to "Yes".
