Html code on aricloudcarousel.ini file

Posted by dionysos - 2012/01/25 10:02

_____

Hi,

a little thing i just have discovered: you can add html code on aricloudcarousel.ini file for title and description. A good thing if you want (like me) add a long and 'styly' description of a picture.
Just beware to use ' and not " on your style.

exemple:
...

Best regards,

Denis
