
Problem with photos and bg. PATH probably?

Posted by Wierzba - 2012/02/10 20:11

Hello, I have got problem, I have installed ARI CC twice but it is not working all the time. The only thing I can see is title and header text.

My site is <http://www.wierzbowski.hekko.pl/>

path to IMG is
images/

There are two photos in this folder called 3.jpg and 4.jpg

path to bg is
images/bg_under_gallery.jpg

my ini file is

```
3.jpg="3"  
4.jpg="4"
```

```
3.jpg="Domaine de Villargeau Blanc"  
4.jpg="Domaine de Villargeau Rose"
```

```
3.jpg="www.google.pl/"  
4.jpg="www.google.pl/"
```

Please help with any ideas.
Greetings
Pawel

Hello,

http://www.wierzbowski.hekko.pl/images/bg_under_gallery.jpg file doesn't exist. You can see it if try to load the image into a browser. About carousel images, we can investigate the problem if you provide a temporary access to your J! backend by email.

Regards,
ARI Soft

It was a problem with site template styles.

Regards,
ARI Soft
