_____

Upload it to an online server and provide a link to a page where we can see a problem so we can investigate it.

Regards,
ARI Soft

_____

A screenshot can't help to investigate this problem. It can be a problem with a 3rd party extension or site template styles.

Regards,

ARI Soft

_____

Send a link to a page where we can see a problem and a temporary access to your J! backend (not to FTP).

Regards,
ARI Soft
