## My Carrousel is to down

Posted by mvicidomini - 2012/06/21 08:39

---

Hello all,

I have built a carrousell but the images are to "down". Is there a parameter to set

<http://jvb-inlucca.com/index.php/fr/programme>

Thank in advance

Hello,

See "Y pos" parameter.

Regards,  
ARI Soft

Perfect it works

Thanks a lot for your help.
