
How to align the caption position & nav button?

Posted by adyjob - 2012/06/28 08:14

I wonder how to align the caption position and navigation button position?

Hello,

Use the next CSS rules:

```
/* caption position */
.ari-cloud-carousel-wrapper DIV.ari-cloud-carousel-caption
{
    top: 100px
}

/* right navigation button */
DIV.ari-cloud-carousel-wrapper .ari-cloud-carousel-nav A.ari-cloud-carousel-right
{
    top: 20px;
}

/* left navigation button */
DIV.ari-cloud-carousel-wrapper .ari-cloud-carousel-nav A.ari-cloud-carousel-left
{
    top: 20px;
}
```

Regards,
ARI Soft
