
Carroussel and Color Box

Posted by Brienois - 2012/08/20 08:02

I want to use Colorbox with Ari carousel, but I can not find the setting
Can you help me?
Many thanks :huh:

Hello,

Check that "System - ARI Colorbox" plugin is installed and enabled. After this open "ARI Cloud Carousel" module settings page and set "Lightbox integration" parameter to "ARI Colorbox".

Regards,
ARI Soft
