## How to setup no popup and no link

Posted by webdesko - 2013/03/27 10:38

---

Hello,

I would like to know how can I set up for the image to not pop up or link anywhere. I have made a image base text carousel, but don't know how to fix it :)

<http://qpoint.olimpweb.pl/index.php/co-robimy>

Best regards

Hello,

Set "Lightbox integration" parameter to "None" in module settings.

I did so before, but then it link to the path picture.  
See on the site right now :)

Thanks - I didn't check this value before. I think that was the only one :P

Best regards,  
AP
