Hello, sorry for my English, I'm French and I hope you can help me.
I want to change the font size and the color of the text in "the header tex".
I'have tried to do that

DIV.ari-cloud-carousel-header
{
font-size: 22px;
color: red;
font-family: Tahoma;
}

but it's not working
Have you a idea ??
Thank you very much for your help and your module
Best regards
Pat

_____

The page doesn't contain this CSS rule. Try to clean Joomla! cache.
