
ARI Cloud Carusel is not working with PHP7 ???

Posted by u4563 - 2016/08/12 13:50

I'd like to ask when ARI Cloud Carusel is able to work with PHP7 ???

or

What can I do so that ARI Cloud Carusel is working with PHP7 ???

Regards

Hermann

Hello,

The latest version of the extension (1.7.10) is working with PHP 7. What problem do you have?
