
Parsing error?

Posted by chuckers82 - 2010/08/06 21:03

I am getting this warning after placing the ini file in the image folder for the ari cloud carousel

Warning: Error parsing /home/briollaw/public_html/images/stories/attorneys/rotate/titles.ini on line 26 in /home/briollaw/public_html/modules/mod_aricloudcarousel/mod_aricloudcarousel/kernel/Utils/class.AppUtils.php on line 34

Any ideas?

Hello,

It seems this is the same problem like with 'ARI Image Slider' which is described here.
