
Trouble function on IE8

Posted by vicente83 - 2010/10/12 08:56

Hello,
I think that Ari Cloud Carousel it's a great joomla extension but I have a trouble function in IE (IE8). It work on Firefox but not in IE. I can make all the changes in the thumb path i want, the problem is the same. Work on firefox but not on IE.
Please can you help me.
Thanks and sorry about my english

Hello,

Download and upgrade the module please.

Regards,
ARI Soft
