
Mouse over color blue

Posted by ehermouet - 2012/01/20 15:03

Hi all,

first i want to thank creator of this module, for his time and his nice modules and plugins.

Well, i have question about this module. When i do mouse over i have blue color -> #C5E4FF, and i just want nothing like demo.

anybody know why ?

tkr

Hello,

Provide a link to a page where we can see "ARI Slick Gallery" module on your site.

Regards,
ARI Soft

This problem with site template styles. Add the next CSS rule to a site template CSS file to fix the problem:

```
#main .ari-slick-gallery A:hover
{
  background-color: transparent;
}
```

Regards,
ARI Soft
