
slick gallery & fancybox

Posted by joros1 - 2012/10/09 13:17

when integrating slick gallery with fancybox, how do you customize the fancybox appearance and make it cyclic and set up other parameters????

Hello,

You can configure fancybox parameters in "System - ARI Fancybox" plugin settings.

It seems the plugin is installed incorrectly. Plugin settings page should like on the screenshot below:

<http://www.ari-soft.com/images/fbfiles/images/fancybox-3761add084427c73fbd2e48532ad214c.jpg>

Could you provide a temporary access to your J! backend by email so we can investigate the problem?

Regards,
ARI Soft
