Hi all,

I appreciate this module unfortunately it does not work at all.

Could you please have a look here: <http://j3.kathrinikreativa.de/2016-06-22-10-04-11/karten/eulen-postkarten>

It just shows error messages, unfortunately I don't know what to do. The folder "Cache" has 0755 rights...

Hope to get help...

Sincerely yours,  
NinJa

Hello,

Download and update the module to v. 1.4.0. It should help to resolve the problem.
