
module in article not working

Posted by sandeepdo - 2011/06/06 01:06

Hi

I want to display my mdoule in article(flipbook) and using this {ariflipbook moduleId="55"}{/ariflipbook} but I don't know why it is not wokring. Any ideas please?

Hello,

Check that module is enabled and "Content - ARI Data Tables" plugin is installed and enabled. If it doesn't help, provide link to page where we can see the problem and temporary access to your Joomla! backend by email or screenshot of module settings page.

Regards,
ARI Soft
