Magnify

Posted by hhorton - 2014/12/04 17:20

_____

It is possible to magnify the images in a nicer way than the overlay link which puts a larger image in top left of screen. Can it be centered?

_____

Hello,

"ARI Smart Book" extension supports zoom feature (it works for images and text). You can see demo here.

_____

FlipBook doesn't support zoom feature.
