
How to disable the edit/export option in zoho

Posted by garth1976 - 2011/10/10 10:15

Hi

I am using this plugin with the zoho viewer with joomla 1.5.

plugin version is the latest (downloaded today 10/10/11)

How can I disable or turn off the edit and export options?

Great work on the plugin. Works a treat

Hello,

Sorry, but Zoho API doesn't provide this ability.
