| Impossible to generate visualizzation document now Posted by vpari - 2014/04/08 15:41 |
|--|
| Hello. Why, written the code of Aridoc where I would like to have the visualizzation of a Power Point document, then I read in the webpage "Impossible to generate a visualizzation of the document now. Try later."? Thank you. |

| Hello, |
| It seems this is a problem on Google Docs side. |
| Regards, ARI Soft |
