
Problem in chrome

Posted by niavet2001 - 2014/11/18 22:47

Dear

I have a problem

<http://www.europeanstudies.org.gr/component/k2/item/206>

This is appear in safari in mac

but in chrome has problem

A week ago worked !!!

Thanks

Hello,

This is a javascript conflict. Several instances of jQuery library are loaded on your site. Load only one copy, it is also increase performance.

Regards,

ARI Soft
