Problem in chrome
Posted by niavet2001 - 2014/11/18 22:47

_____

Dear
I have a problem
http://www.europeanstudies.org.gr/component/k2/item/206
This is apear in safari in mac
but in chrome has problem

A week ago worked !!!

Thanks

_____

Hello,

This is a javascript conflict. Several instances of jQuery library are loaded on your site. Load only one copy, it is also increase performance.

Regards,
ARI Soft
