

Need Help to sort the books

Posted by prasad.sakharkar - 2014/05/06 12:56

Hi !

I must congratulate you for great component. Is there any way to sort the display of books ? Newest or Oldest will also do. Please help me out with this.

Hello,

Do you want to sort the publications on frontend when show them from the selected category?

Regards,
ARI Soft

yes.

i am using your components menu. It gives listing of available books. I want to show them datewise(newest first)

Download and upgrade the component. New version provides ability to sort publications on frontend by name or created date.
