
Mass creat categories

Posted by cute64627732 - 2016/09/20 11:20

Hi

I would like to ask about can I mass creat Smart Book categories?
I have about 1000+ books and need to creat 1000+ categories

maybe in SQL I can export csv, edit with Excel, and import CSV file
but sometimes the code is too complicated

and ARI Data Tables support this?
or the other way?

thanks

Hello,

We can implement this feature as a custom development. If you are interested in it, we can discuss details by email.
