
SMART BOOK in Article

Posted by hca402 - 2019/08/06 11:36

Is there a way to use a code and insert the book inside the article?

Thank you

Hello,

"System - ARI Smart Book" plugin can be used to embed books into articles. Use the following shortcode:

```
{arismartbook id="BOOKID"}
```

For example for book with ID = 5, it will look like:

```
{arismartbook id="5"}
```

Regards,
ARI Soft
