ARI Smart Book for Joomla 4

Posted by Foued - 2021/08/25 08:44

_____

Hello,
I am a user of this extension, I want to know if you plan to make Joomla 4 compatible?
Sincerely

_____

Hello,

Unfortunately we can't upgrade it for at least the coming months.

Regards,
ARI Soft

_____

Hi,
Thank you for your quick answer.
But what I want to know, if it is planned the update of this extension.
Sincerely

_____

Hello,
is in the meantime a Joomla 4 compatible version in development? If so, when is it estimated to be available ?
