
Cloud Carousel and articles

Posted by Merlin3322 - 2014/08/19 15:01

Is there a possibility to integrate the "ARI Cloud Carousel Pro" in an article ?

Best regards

Hello,

Do you want to show the module into an article?

Regards,
ARI Soft

Modules can be embedded into articles with "Content - Load Module" standard Joomla! plugin. You can read more about it [here](#) or use 3rd party plugins like "Module Plant" or "Modules Anywhere".

If you need more assistance, let us know.
