_____

Hi, I 've read the previous post , but I am not very clear .

My intention is simply to change the colors of the paintings , how can I do this?

Thank you

Hello,

Could you send a link to a page with a chart and specify what color(s) want to change?

Regards,
ARI Soft

_____

Add the following CSS rules to a site template CSS file:

.orggchart TD.google-visualization-orgchart-node {color:red;background-color:yellow;border-color:green;}
.orggchart TD.google-visualization-orgchart-linenode {border-color:green;}
