## Change Node CSS Class

Posted by kmkn - 2019/12/19 08:20

---

Hi,

First of all, i would like you know that i'm not familiar with css programming. However i do know how it works. Usually i use inspect element in browser to see the style. My question is what and how to write the code in Change Node CSS Class field in Ari plugin if i like to change the node background color. Tq

Hello,

Do you want to change background for all nodes or particular one?

Regards,  
ARI Soft
