
Ari Quizzes do not work

Posted by DOO U - 2019/11/14 12:56

I just bought the subscription chasing a 4pm deadline and I cannot even build a quiz. It opens and freezes. Please refund me.

Hello,

We have provided the refund. BTW, if have any difficulties, you can contact us and we will try to find a solution how to resolve them. In your case it looks like a problem with a cache or 3rd party plugin.

Regards,
ARI Soft

Maybe make your help desk more visible. this where your search results directed me for assistance. also no refund received yet.

thanks got the refund.

how do I delete this?
