
Googles fonts not showing up in drop menu

Posted by leksluxembourg@gmail.com - 2016/03/18 00:26

Adding google fonts looks working but they are not showing up in the list choice. actually, they are no choice at all, just the crappy default font is used :(See attached

Hello,

Place code for Google fonts like described in help section for "Google Fonts" tab. For example place the following value:

<http://www.ari-soft.com/images/fbfiles/images/font.jpg>
