## Unable to save new calendar

Posted by sudhi\_muk@hotmail.com - 2018/09/06 14:30

---

I am unable to save new calendar - error message: "The entity cannot be saved." Any idea what could be wrong. I am using Joomla 3.8.12, and logged in as Super User. Thanks.

Hello,

Could you provide a temporary access to your J! backend by email so we can investigate the problem?

Regards,  
ARI Soft
