
Youtube - disable related videos

Posted by ferino - 2016/09/22 06:10

Hello,
You would it even turn off related videos?
It looks pretty ugly....

Thanks.

Hello,

Download and upgrade the extension to v. 1.0.1. After this open "Types settings" tab on plugin settings page and set "YouTube -> Related videos" parameter to "No".

Regards,
ARI Soft

Super, this is it!

Thank you very much.

Fero
