## Popup in custom module

Posted by ferino - 2016/10/13 07:10

---

Hello,  
I try your popup in joomla custom module, but not working...  
the same syntax as in article.

Hello,

Could you provide a link to a page where the problem occurs and a temporary access to your J! backend by email so we can investigate the problem?

Regards,  
ARI Soft
