
Result Title

Posted by emeorg - 2017/03/30 14:49

I cannot change the title on a result page. I need to cancel this line:

Il tuo dolore Ã": Il tuo profilo corrisponde a:

I have to cancel "Il tuo dolore Ã" but i cannot do it (i cannot Hide it either). How can i do?

Hello,

Could you send a screenshot or link to the quiz where we can see the message which you want to remove (because it is not clear what is this quiz title, template title or something another)?

Open "SHARING" tag on "ARI Stream Quiz -> Settings" page and see "Title on result page" parameter in "This parameters section is used to configure sharing content for personality quizzes" section.
