Remove Quiz Description Text from results page?

Hello
We are so happy with the quiz plugin and nearly ready to go live. Just one small thing - how can I stop the description/instructions of the quiz from showing on the results page?

Many thanks :)

_____

Open "ADVANCED" tab on "ARI Stream Quiz -> Settings" page and populate "Custom CSS Styles" parameter with the following CSS rule:

.ari-stream-quiz.view-quiz-results .quiz-intro {display:none;}
