## Reordering trivia questions does not work

Posted by philono - 2017/09/15 14:31

---

After I drag and drop a question to reorder it, I click "Save" but the ordering (sequence) of the questions remain the same. How can I fix this? I use the PRO version wth latest WP version.

Hello,

We will investigate the problem and try to provide the fix ASAP.

Update the plugin to the latest version (1.5.2 for "ARI Stream Quiz PRO"). It contains the fix for the problem.
