
Quizzes not loading

Posted by angieramos - 2017/11/25 00:09

Sorry, my last post is not visible for some reason

Im unable to create a new quiz or access a created one. Page keeps loading. I've cleared cache, I have disabled all the other plugins and still is not loading. http://www.ari-soft.com/images/fbfiles/images/Screen_Shot_2017_11_24_at_4.png

Hello,

Could you provide a temporary access to your WordPress backend by email and specify what quiz causes the problem so we can investigate it? We can't reproduce this problem on our test server.

Regards,
ARI Soft

Thanks, I have sent the email with the login information.

I appreciate your help.
