
Have answers to questions with images?

Posted by eskilmn - 2018/01/28 12:51

Is there a possibility to have images as questions (trying to make an iq test) and the images needs to be clickable answers.

Thanks

Hello,

You can see here demo of image based quiz. It is possible to click by image or checkbox to select the answer. Checkboxes can be removed with help of custom CSS rule.

Regards,
ARI Soft
