
mp3-jplayer and ARI Steam Quiz are prefect brother

Posted by kanglando - 2018/02/05 05:07

I use mp3-jplayer shortcode as Quiz question title .That's prefect showcase.

To see image:

mp3-jplayer demo:

<http://mp3-jplayer.com/single-file-players-button/>

mp3-jplayer shortcode paste to Quiz question title

=====

Try to add

before shortcode/link to mp3 file.

Regards,

ARI Soft

Your means this ?

It's the same. nothing happened.

Yes, something like this:

Question title

or

Question title

oh! mp3-jplayer shortcode can show track title .

I named a tack title is question title.

so track title is question title.

There's no need add question title again.
