
Images suddenly dissappeared in quiz questions?

Posted by eskilmn - 2018/03/24 23:07

Suddenly all images question and answer images have disappeared and there is now only a white, blank space with borders around the answers. Any ideas?

Hello,

Read this post please. If it doesn't help, provide a link to a page where the problem occurs to have ability investigate it.

Regards,
ARI Soft
