ARI Stream Quiz: Update package not available.

Posted by jean1900 - 2021/04/26 07:33

_____

Hi,
Trying to install last update but all I get is this error message "ARI Stream Quiz: Update package not available."
Version installed on WP right now is Version 1.5.52
Please advise

_____

Hello,

Make sure API key is specified in plugin settings.

Regards,
ARI Soft

_____

I've used the codecanyon license key as the API key, is it correct?

_____

No, this plugin from Envato can be used to update plugins which are purchased via CodeCanyon or contact us by email
and we will provide an API key.

Regards,
ARI Soft
