Form and button translation

Posted by Javi - 2021/05/12 12:04

_____

Hi,

I would like to change the following fields in the form to translate them into Spanish:

Title

Complete the form below to see results

Fields:

Your name : "Enter yor name"
Your e-mail : "Enter yor email"

Button:

Show results

Title

Completa el siguiente formulario para ver el resultado.

Fields:

Tu nombre : "Tu nombre (sin apellidos)"
Tu e-mail : "Email"

Button:

Ver resultados

Where and how could I change these fields?

And what about "Share your results via" to share in social networks? I would like it in Spanish too: "Comparte tus resultados en".

Thanks in advance.
