
Impossible checkout whit Master card

Posted by arielkeybob - 2021/06/18 22:01

Hi, your plugin is awesome!

I'm trying to buy, but checkout is brocken. :(

I recive the message:

Failed to authorize: MasterCard is not supported

or with Paypal:

Authentication Failed

Please, help me!!

I need it ASAP :blush: <https://www.ari-soft.com/images/fbfiles/images/credit.PNG>

Hello,

Sorry, but this is a problem on 2CheckOut side. They temporary disable MasterCard payments. Probably you can pay using another payment method?
