
on Page Reload I lose images

Posted by mstoffer - 2021/06/21 14:54

Dear support,

I just bought ARI Stream Quiz. It works fine with Ajax but when I change the setting to "Page Reload" to get the ads on the page refreshed I lose images on the 2 questions and so on.

example here

<https://thebright.com/famous-people-in-history/>

Thank

Dave
