Hi Guys,

Iâ€™m new to ARI Soft and have recently purchased your Quiz plugin.

Love the plugin, but I cannot seem to find a question timer / countdown option.

Please can you advise how I can add a question timer.

Thank you

Hello,

Sorry, but currently the plugin doesn't support this feature.

Ok.

Is there any plans to add this or is there an 'add on' feature I can purchase?

I am very pleased with my purchase regardless, but would really like this functionality.

Thank you B)

We have this feature in our TODO list, but currently we don't have an ETA when it will be implemented.
