Add unique video to each result personality quiz
Posted by Rebecca.Schmitt203 - 2021/08/13 00:44

_____

Hi, how can I add a video to each result on the personality quiz? I want it to be a different video for each result. I have the pro version.

_____

Hello,

Open quiz edit page, navigate to "Settings" tab and enable "Support shortcodes in quiz description, questions, answers and results" option. After this you can use shortcodes in personality description. For example use video shortcode.

Regards,
ARI Soft
