
ARI Stream Quiz Pro doesn't work

Posted by ushigy - 2021/08/22 11:46

ARI Stream Quiz plugin is great for me so I bought Pro ver. But once update to Pro it doesn't work correctly. I can't edit my existing quiz with loading mark and the quiz doesn't start in my site. How can I modify? https://www.ari-soft.com/images/fbfiles/images/2021_08_22_20-988e9888685d83c58f70e1ea8ce85658.png

Hello,

Could you provide a temporary access to your WordPress backend by email so we can investigate the problem? It can be a conflict with a 3rd party plugin.

I can solve the problem by deleting cache as told.
Thank you for your help!
