integration TNP

Hi Ari Soft team,

is there an integration for the Quiz with "the newsletter plugin" (TNP) www.thenewsletterplugin.com ?
That would be awesome,

Please let me know if you are considering it.

Best,

A.

Hello,

The plugin doesn't support integration with TNP. Could you specify what kind of integration you need so we'll check it for future versions of the plugin?

Regards,
ARI Soft
